To the Office of Mayor Maher Maso
George A. Purefoy Municipal Center
6101 Frisco Square Boulevard
Frisco, Texas 75034

Dear Mayor Maso and City Council Members,

It is with great hardship and sadness that I must resign from the City of Frisco Urban Forestry Board effective immediately. In January 2009, after having been laid off in late 2008, I accepted a new job that requires much of my time not leaving a lot for family. As a single mom, I need to make this sacrifice so my son sees that though I have to work he is my number one priority. I do hope that in the future I can find my way back to serving the City of Frisco because my heart belongs to this City. I have watched it grow for over 16 years and truly love everything about it. Thank you so much for the opportunity to serve the great City of Frisco. I wish to share that the Urban Forestry Board is made up of a group of true gentlemen and I wish them nothing but success and growth. It was a pleasure serving with them.

Thank you

Very best regards,
